

BREAKOUTS

VISUAL ARTS

1 BREAKOUT	This is How We Do It CHRIS VOIGT & ANDREW BERTZ Dayspring Fellowship Keizer, OR Sometimes it helps to see it in person. In this breakout, we'll take a deeper dive into how Dayspring designed and implemented our livestreaming process, what equipment we use, and why we do what we do...all on a shoestring budget...with a guided tour through it all.	CELEBRATION CENTER
2 BREAKOUT	DIY Stage Design CHRIS VOIGT Dayspring Fellowship Keizer, OR With Pinterest and YouTube fueling our creativity, DIY continues to be popular, which is good news when you're working with a limited budget! In this class, Chris will talk about how to use everyday items to transform your platform, stage, or room into an environment that invites people to worship.	CELEBRATION CENTER
2 BREAKOUT	ProPresenter 7: From Top to Bottom JARED SCHILLING & GREG GALLAGHER Salem Alliance Church Salem, OR Let's dive in and put a service together from top to bottom using ProPresenter 7. Along the way we will talk about key features to use such as: cues/the cue palette, background soft loop, playlist headers, using stage display, reflow editor, connecting to Planning Center, using SongSelect and connecting to livestream.	124
3 BREAKOUT	Lights, Camera, Action! GREG GALLAGHER Salem Alliance Church Salem, OR Are you ready to produce your next announcement, testimony or mission trip video for a service? Let's take a look at the production process from planning to rendering that final video.	124
