

BREAKOUTS

PRE-CONFERENCE

PC1

VOCAL: Advanced Vocal Technique (\$30)

SHERI GOULD | Independent Vocal Coach | Lawrenceville, NJ

Have you been singing for years but could use a refresher? In this class we'll look at some things that experienced singers can struggle with. Bridging registers, maintaining proper pitch control, keeping a natural vibrato, developing a healthy style and ability to blend with others and more will be covered.

123

PC2

GUITAR: Rhythm Guitar Essentials & Next Level Tools (\$30)

DAVID HARSH | Trinity Evangel Church | Marysville, WA

Are you a beginning or intermediate rhythm guitar player who knows there's more to the picture, but you've hit a plateau? Get ready to enhance your knowledge as a guitarist – and as a musician – in this customized clinic. Taught from the perspective of a worship guitarist, songwriter and recording artist, this class has the potential to open up all kinds of doors for you.

125

PC3

SONGWRITING: Foundations of Worship Songwriting (\$30)

MICHAEL BAHN | River Valley Church | Grants Pass, OR

Come and learn the foundations of worship songwriting. We'll work through practical songwriting exercises that will help you write worship songs that shift culture and establish God's Kingdom, in truth and in spirit, in your city!
